RATIONALE

TRIS Rating downgrades the company rating on Thai Airways International PLC (THAI) and the ratings on THAI's senior unsecured debentures to "D" or "Default". The downgrade follows the Bankruptcy Court's acceptance of THAI's rehabilitation petition on 27 May 2020. As a result, all of THAI's debt obligations have been placed on automatic standstill by law, which means THAI has halted all debt services.

TRIS Rating will reassess the credit ratings on THAI as and when the company has reached an agreement with all stakeholders on the rehabilitation plan.
